The most updated information I have on anything on Llewellyn St is the following in AMS:

181120011 - 128 W Llewellyn St 90012 - not cleaned yet, on AMS, pending all three signatures (not signed off by anyone yet), unknown cleanup date (up to CSG & CD). Location is in CD 01, Central Division.

Let me know if you'd like me to reach out to Richard Young (CSG rep for CD 1) regarding this location. In the meantime maybe HOPE can possibly address this area, although it does appear large-ish and WPD and/or Solids may say it's too big for HOPE.

Matthew, if outreach hasn't been provided at this location already, do you think you could get a team out there when you can to provide outreach? Thanks 😊

Sal, please lemme know if I'm missing any information, as it looks like you were originally in the loop for this location.

George,
Would you be willing to swing by and take photos of the area and send them to Officer Ramirez, please? This way we can get the cleanup started.
Thank you, Sir.
Stephen

Hey Sir,

Just wanted to follow up with you regarding Llewellyn St. I saw the email where you said, "In addition to the two that were towed by OPG, two others were towed away through private means. With the 4 total RVs and a trailer gone, cleanup efforts can begin."

Re: Fw: Cleanup on Llewellyn St.

Can you please send me updated photos of the trash and debris left at location. Once we have updated photos the UHRC can properly coordinate with Sanitation to address the matter as quickly as possible. I've CC'd Salvador from watershed who is standing by awaiting photos.

Thank You for your efforts. We are glad to know everything went smoothly.
